

## Statistics on Penalty Cases of Act on Property-Declaration by Public Servants

(Statistics period : 1993/9/1~2021/9/30)

unit : record

properties/ assets	owners of property			Total amount
	declarant	spouse	underage children	
land	908	843	8	1,759
building	113	141	4	258
vehicles	21	28	0	49
cash	1	0	0	1
savings	626	730	14	1,370
securities	478	761	10	1,249
creditor	17	20	0	37
debt	749	362	3	1,114
other valuable property	220	227	0	447
investment in ventures	159	116	10	285

※The statistics shown above were collected based on the number of fined properties/assets, not the the number of cases investigated.

Notes :

1. Based on the cases of intentionally make untruthful declarations which are penalized by Control Yuan , we distinguish between the property owner and the number of punishments according to the fined properties/assets.

2. Under the same penalty case, there is one type of penalty for single or multiple fined propertie/assets under one personal property; there is also another type of penalty for single or multiple fined propertie/assets under two or more properties of several different owners.

3. The securities included stock, bonds, trust fund beneficiary certificate and other securities. The valuable property included jewelry, antiques, precious calligraphy and painting, insurance , and other valuable property.

**【example】** A public servant who doesn't declair his entire assests should be fined. A public servant intentionally make untruthful declarations with assets inclusive of 3 records of land, 13 records of stock, and 10 records of fund beneficiary certificate shall be imposed with a fine .And the statistics above should report three records of land and 23 records of securities.
